About Aryavart International University

Welcome to Aryavart International University, a leading institution of higher education committed to providing an exceptional academic experience for its students. It is the first ever university in North Tripura which offers its students an array of multiple disciplines including Social Sciences and Humanities, Science and Technology, Management and Commerce, Library Science, Computer Science, Law, Pharmacy, Physiotherapy, Paramedical, Skill Education and many more.

Our faculty members are expert in their fields, and they are committed to helping students develop the knowledge, skills, and critical thinking abilities needed to succeed in today's rapidly changing world. We seek to admit students who are academically talented, intellectually curious, and socially engaged. At Aryavart International University, we believe that a well-rounded education includes not only academic rigor, but also opportunities for personal growth and development. We also have a strong tradition of research and innovation, and our students have the opportunity to work closely with faculty members on cutting-edge research projects. We have state-of-the-art academic facilities, including modern classrooms, research labs, and well-equipped library. Our campus is located in a beautiful and tranquil setting, surrounded by natural beauty and cultural richness. Our campus is a vibrant and welcoming community that provides our students with a supportive environment to learn and grow. We invite you to learn more about Aryavart International University by exploring our website, attending an information session, or visiting our campus. We are confident that you will find our University to be an exciting and inspiring place to pursue your academic and personal goals.

About Our Journals

Welcome to our realm of knowledge dissemination! Established in 2011, our collection of 19 international journals spans across diverse disciplines, ensuring a rich tapestry of insights for scholars and researchers. With impact factors reaching up to 6, our journals embody a commitment to quality research publications, a testament to the rigor and excellence upheld in our peer-review process. Some of our esteemed journals boast the coveted Digital Object Identifier (DOI), adding a layer of accessibility and permanence to scholarly contributions.

We take pride in being indexed in various international bodies, a recognition of the global significance of our research. As advocates of Open Access, we aim to break down barriers to knowledge, making our journals freely available to all. The heartbeat of our journals lies in the vast scope they cover, providing a platform for the exchange of ideas and discoveries across disciplinary boundaries.

At the core of our success is the distinguished members of our International Editorial Board members, Advisory Board members and Reviewers. Their expertise ensures the scholarly merit of each publication, contributing to the academic enrichment of our readership. We are dedicated to efficiency, with e-Certificates readily downloadable from our website and paper acknowledgements dispatched within 48 hours of receipt. Embracing a strict policy against plagiarism, we uphold the integrity of scholarly work, fostering an environment of trust and authenticity. Moreover, we offer guidance to enhance the quality of research, supporting authors in their pursuit of excellence. Our journals are not just publications; they are gateways to a community that values and nurtures intellectual exploration. Join us in the journey of knowledge creation and dissemination!

“To do successful research, you don’t need to know everything, you just need to know one thing that isn’t know.”

– Arthur L. Schawlow

PEER-REVIEW PROCESS

Application for Reviewers, Editorial Board Members and Advisory Board Members are invited for all journals.

Interested candidates can send their CV to the respective journal's email id.

A black rectangular sign with white text is leaning against a potted plant. The plant has large, heart-shaped green leaves and is in a white pot. The background is a plain, light-colored wall. The sign is positioned in the lower right quadrant of the image, partially overlapping the plant and the wall.
